By submitting this form, my credit union agrees to the following project participation terms:

- Track the following information: total number of kits given away including approximate age of recipients, grade level and date of lesson. Submit the report to the New York Credit Union Foundation by December 31 if activity is presented in the fall semester or by June 30 if the activity is presented in the spring semester. Use the "Sample Kid's Cash Project Report" below as your guide.
- If possible, submit to NYCUF at least two high resolution, digital photographs, including publicity permission forms as appropriate, and captions that include, but are not limited to, date and location plus name, age or grade of children in photos. E-mail to dwixted@nyscul.org.
