

# Supporting financial education is sweeter than ever.

When you purchase a \_\_\_\_\_ for \$\_\_\_\_\_, we'll donate the profits to support the financial education programs of the New York Credit Union Foundation.

These programs help credit unions, teachers and other community leaders teach New York's youth how to become financially responsible.

Your contribution will help us spread financial literacy...so have something sweet today!

*The NYCUF offers a range of youth financial education programs to credit unions, schools and community organizations. Go to [www.nycuf.org](http://www.nycuf.org) for program details. The Foundation works to improve the financial literacy and independence of New Yorkers. The Foundation, a 501(c) (3) nonprofit organization, is the charitable arm of the Credit Union Association of New York.*
